PROMPT ATTENTION GIVEN TO COLLECTORS

NEW YORK STATE has been officially
declared free from debt. This might
appropriately be declared a state of
bliss.

FINANCIAL journals of England
agree that if a radical change is not
made in the management of the Bank
of England a world-wide panic must
result.

The value of the Mexican dollar
has been officially fixed at 56¢ by the
director of the U. S. mint. This is
done yearly with the idea in view that
the value will not change.

The Tempe News and Tucson En-
terprise are two late additions to the
number of daily papers in the terri-
tory. The Winslow Mail, a bright
weekly, has also appeared. Advance-
ments in the newspaper world are
always indications of the growing
prosperity of any section, and Arizon-
ans can congratulate themselves on
these indications of progress.

A NEW law went into effect in the
frontier towns on the Mexican line
last Sunday. It provides that im-
portations of merchandise from the
American side of the line to the Mexi-
can side in lots not to exceed \$50
worth will be admitted free from duty.
This order will do much toward as-
sisting the merchants of Nogales in
building up and maintaining their es-
tablishments. If our government
would reciprocate, frontier towns
would soon boom in an astonishing
manner.

KNOWLEDGE

Brings comfort and improvement and
tends to personal enjoyment when
rightly used. The many who live bet-
ter than others and enjoy life more, with
less expenditure, by more promptly
adapting the world's best products to
the needs of physical being, will attest
the value to health of the pure liquid
laxative principles embraced in the
remedy, Syrup of Figs.

Its excellence is due to its presenting
in the form most acceptable and pleas-
ant to the taste, the refreshing and truly
beneficial properties of a perfect laxa-
tive; effectually cleansing the system,
dispelling colds, headaches and fevers
and permanently curing constipation.
It has given satisfaction to millions and
met with the approval of the medical
profession, because it acts on the Kid-
neys, Liver and Bowels without weak-
ening them and it is perfectly free from
every objectionable substance.

Syrup of Figs is for sale by all drug-
gists in 50¢ and \$1 bottles, but it is man-
ufactured by the California Fig Syrup
Co. only, whose name is printed on every
package, also the name, Syrup of Figs,
and being well informed, you will not
accept any substitute if offered.

When War is Declared

Against a man's happiness by his

stomach the enemy may be pacified

and brought speedily and easily to

terms. That potent regulator of di-

gestion, Hostetter's Stomach Bitters,

disciplines the rebellious organ thor-

oughly. Indigestion arises from

weakness of the stomach, and the food

in it, for want of the power to digest,

decomposes and acidifies, giving rise

to heartburn, flatulence and pain, be-

side a multitude of symptoms both

changeable and perplexing. But peace

soon reigns when the great stomachic

is resorted to and used with persist-

ence. Dyspepsia gives rise to morbid

discomposures of mind, and even sleep-

lessness and hypochondria in chronic

cases. To the complete dismissal of

these the Bitters is fully adequate.

Liver complaint, constipation, debility,

rheumatism and malaria are

completely subdued by this genial

medicine.

Simmons' Liver Regulator cures

headache, indigestion and all dis-

orders of the liver.

octavo form.

A "Straight Flush."

"That's what I call a 'straight flush,'"

said the conductor of a red street car to

the tourist.

We were standing on the platform.

My eyes followed the direction indi-

cated by the jerk of his thumb and I

looked inside to see that the car con-

tained only women. Then I understood

that in the technical language of street

car conductors "a straight flush" is a

car full of women.—Hartford Post.

A FRIEND

Speaks through the Boothby (Med.) Register,

of the beneficial results he has received from

a regular use of Ayer's Pills. He says: "I

was feeling sick and tired and my stomach

seemed all out of order. I tried a number

of remedies, but none seemed to give me

relief until I was induced to try the old reli-

able Ayer's Pills. I have taken only one

box, but I feel like a new man. I think they

are the most pleasant and easy to take of

anything I ever used, being so richly sigar-

coated that even a child will take them. I

urge upon all who are in need of a laxative

to try Ayer's PILLS. They will do good."

For all diseases of the Stomach, Liver,

and Bowels, take
